Dear Sir:

I am now and have been for a long time interested in the fight you are making on behalf of the teachers in Maryland to get an increase in salaries. I have a similar case here and it will be helpful to my case to have a copy of your petition filed in the case of William B. Gibbs, Jr., vs. The School Board of Montgomery County, Maryland. I will appreciate a copy of your brief also that you used in the case.

I will pay your stenographer for her work in copying these for me if she will indicate her charges.

Respectfully yours,

S. D. McGill
