Mr. Thurgood Marshall,
Asst. Special Counsel NAACP
New York, New York.

Dear Mr. Marshall:

I have your letter of the 10th inst. in regards to equalizing the teachers' salaries in this State and I am very glad to have it. I have not received the other documents requested to be sent by you, but assume that they will come along in due course.

I am leaving the city tonight for the Middle West, but expect to be back in my office on or before September 7th. At that time I will take up the subject of your letter again with a view of taking definite steps to assist the colored teachers in this State in obtaining their just salaries.

Very truly yours,

McGill & McGill,

S. D. McGill
