Dear Sir:

Thank you for the memorandum "Equalization of Teachers' Salaries". You are to be congratulated for the fine fight won in the State of Maryland.

The Florida State Teachers Association is anxiously waiting to cooperate with you in any and all efforts made in this direction.

We have been informed by Mr. Henry T. Moore of Mims, Florida that regulations have been made to start a similar suit in Brevard county. If and when this suit materializes, our State organization will support it in every way.

Yours very truly,

*Edward D. Davis*
