McGill
re: Fla schools*

May 3rd
1938

My dear Mr. McGill:

In the absence of Mr. White on an extended southern tour, I am acknowledging your letter of April 25 in which you quote the law of Florida which prohibits Negroes from teaching whites and whites from teaching Negroes.

Mr. White will return to the office sometime next week and at that time I shall place your letter before him.

Thank you very much for sending the information so promptly.

Very sincerely yours,

Secretary to Mr. White.

S. D. McGill, Esq.,
610 West Duval Street
Jacksonville,
Florida.
