Jacksonville, Florida

Dear Mr. McGill:

Thank you for your letter of June 25 which has been brought to my attention on returning to the office from Columbus.

I had several conferences with Mr. Griffin in Columbus and Mr. Houston and I along with Mr. Griffin worked out some plans concerning his particular case. I told Mr. Griffin that I expected to be in Jacksonville to see you sometime around the first of August and he expects to be back in Florida at that time. You may expect me sometime during the weekend of July 31--August 1. I do not know the exact dates yet, but I will let you know far in advance as soon as my schedule is completed.

While I am in Jacksonville, I would appreciate it very much if you would make arrangements for me to speak to the local branch of the N. A. A. C. P., because I always like to talk to the branches when I am in their locality.

Yours very truly,

Thurgood Marshall
