Mr. Charles E. Palmour,
Box 5191 Duke Station,
Durham, North Carolina

Dear Mr. Palmour:

This will acknowledge your letter of June 23 in which you request information regarding Negro and white teachers' salaries in the State of Florida.

Since we do not have any statistics on the State of Florida in this office, I would suggest that you write Attorney S. D. McGill, 610 West Duval Street in Jacksonville, who is handling our teachers' salary cases in Florida.

Yours very truly,

Thurgood Marshall
Assistant Special Counsel
