Jacksonville, Florida.

Dear McGill:

Thanks very much for your  
letter of January 23rd, and copy of the  
brief.

I have carefully gone over the brief  
and think it is swell. We argued our teacher's  
salary case in the Federal Court in Maryland  
but the court has not rendered a decision as  
yet.

Please keep me advised as to the case  
in Florida and let me know ahead of time the  
approximate date of argument so that I can  
arrange to be there.

Very truly yours,

Thurgood Marshall  
Assistant Special Counsel
