Dear Sir:

In Re: John Gilbert
vs. L. R. Highfill et al
School Board Members

Replying now to your letter of the 27th inst., requesting that I forward you a copy of the record and briefs in the above cause will state that I was certainly of the opinion that I had already forwarded you a copy of the transcript but upon examination of my files I am unable to find any receipt from you where this was done. I do find, however, that on January 23, I forwarded you a copy of my brief in the Supreme Court of Florida in this case and on January 28, you acknowledged receipt of the same. However, if you have mislaid the brief, I will prepare you another copy. The transcript in the cause is herewith inclosed. It is short, as you will observe because there is no evidence in the case touching the allegations set forth in our pleadings.

With every good wish, I am,

Yours very truly,

J. D. McGill
