Dear Mr. White:

I am writing to find out if the organization can and will supply us with around five hundred copies of "PROCEDURE TO BE TAKEN EDUCATIONAL OPPORTUNITIES" prepared by Thurgood Marshall. The occasion for same is the forthcoming meeting of the Florida State Teachers Association in Pensacola Florida November 30, Dec. 2. If there is ^{a supply available} and the amount of cost for same please notify me.

I note the price listed for the pamphlet ANTI-NEGRO PROPAGANDA IN SCHOOL TEXTBOOKS. We shall order a similar number of them. We want that each delegate to this meeting be supplied with copies of ~~these~~ two pieces of material.

Very truly yours,
N. W. Griffin
