Dear Thurgood:

OCT 16 1939

I have your letter of the 9th inst., this morning and note that the legal machinery of the National Association is to begin special work in the teachers' salary cases in Virginia, Maryland, Tennessee and Missouri. I believe this campaign by our organization to assist negro teachers in obtaining better salaries for their work will not only benefit the teachers but others engaged in similar employment in other states. I note, too, that you will be ready to take up the Florida case not later than November 1st. That pleases me alright. Let me know when to begin and I will have the certified transcript, which is small, in a very short time.

With every good wish, I am,

Sincerely yours,
