Mr. Jos. D. Robertson  
P. O. Box 364  
Key West, Florida

Dear Mr. Robertson:

This will acknowledge your letter of October 17 and the enclosed. In reply may I suggest that you take this matter up with the Florida State Teachers Association at its regular meeting and also take it up with Attorney H. D. McGill. It seems to me that this is a local problem which should be handled by the local group.

We will of course be only too happy to advise concerning this after you have turned it over to the local group.

Sincerely yours,

Thurgood Marshall  
Special Counsel
