Mr. N.W. Griffin, President
Florida State Teachers' Association
410 Broad Street - Room 210
Jacksonville, Florida

Dear Mr. Griffin:

This will acknowledge receipt of your letter of November 9 addressed to Mr. Thurgood Marshall and in which you request that we send you 500 copies each of "Procedure to Equalize Educational Opportunities" and "Anti-Negro Propaganda in School Text Books".

Mr. Marshall has been in Baltimore for the past two weeks actively engaged in the case of Walter Mills v. Board of Education of Anne Arundel County, better known as the Maryland Teachers' Salary Case. In his absence, and so that you may have this material in time for your meeting, we are today sending you the 500 copies of the first item mentioned above at \$3.00 and 500 copies of the second item at 3¢ each or a total for this second item of \$15.00. This is by way of information.

Though this material is going forward in Mr. Marshall's absence, your letter will be brought to his attention upon his return to the office.

Sincerely yours,

Cassandra E. Maxwell

P.S. Express charges to the amount of \$2.35 are being added.
